### **What Makes Advanced Waste Services Unique?**

*AWS Transforms Today's Wastes Into Tomorrow's Resources™.*

As **Environmental Stewards**, we annually convert more than 300 million pounds of contaminated wastewater into new and valuable natural resources.

As **Business Partners**, we increase client bottom lines by transforming time, convenience and productivity wastes into resources that create new opportunities for growth, profitability and success!

**At AWS, our job is to provide customers with the best solutions to their problems and create positive and memorable experiences today and well into the future.**

### **“AWS Makes My Life Easy!”**

#### **John W. Balge – EHS Manager**

“Recently AWS completed several difficult jobs for me. I appreciate your dedication to the customer’s needs and your work ethic. **Thank you and your employees for making my job easier.**”

#### **Mary Schultz - Operations Supervisor**

“You allowed and encouraged us to observe how our waste is properly handled at your facility, which **made it easy for me** to answer any disposal questions that arose during our certification audit.”

## “AWS Handles the Difficult Jobs!”

### **Beth Mrozinsky - Safety & Environmental Manager, CHMM**

“I especially appreciate your quick responsiveness and “can do” attitude when it comes to our needs, **no matter how difficult or impossible they may seem!**”

### **Bart Kostrubala - Operations Manager**

“Shelton and his crew performed the required work . . . **kept to a very tight schedule and always kept a positive attitude during a very taxing and demanding job.** I highly recommend your company and crew.”

## “AWS Outperforms the Competition!”

### **Darren Engbring - Project Engineer**

“AWS began cleaning our air system and **cut the time to complete that project from eight hours to less than two.** Even with short notice, the employees of AWS have always been able to deliver excellent work.”

### **David G. Schill - CHMM - Site Sr. Environmental Engineer**

“What used to take a competitor of AWS’ 4 to 5 days to complete took you just **TWO days!** Great job! AWS comes highly recommended!”

## “AWS Grows With Us!”

### **Kelly Finley – Purchasing Manager**

“Rocknel is **growing at a furious pace.** I just wanted to take a minute to say thanks to you and your staff for the service and support you provided – **we could not have done it with you.**”

Rocknel Fastener, Inc.

### **Scott Petlewski - Senior Project Manager**

“As our firm has grown from 100 people to over 15,000 today, AWS’ timely and cost-effective service has always made my job and my colleagues’ jobs easier.”

### “AWS Stands Out In The Waste Crowd!”

***Hermann Ohrt - Utility Supervisor***

“I have been in the maintenance/utility business for almost 36 years now and this is the first time I have been so satisfied with an outside contractor that I felt compelled to write to them.”

***Raymond C. Horton – Director of Regulatory Compliance***

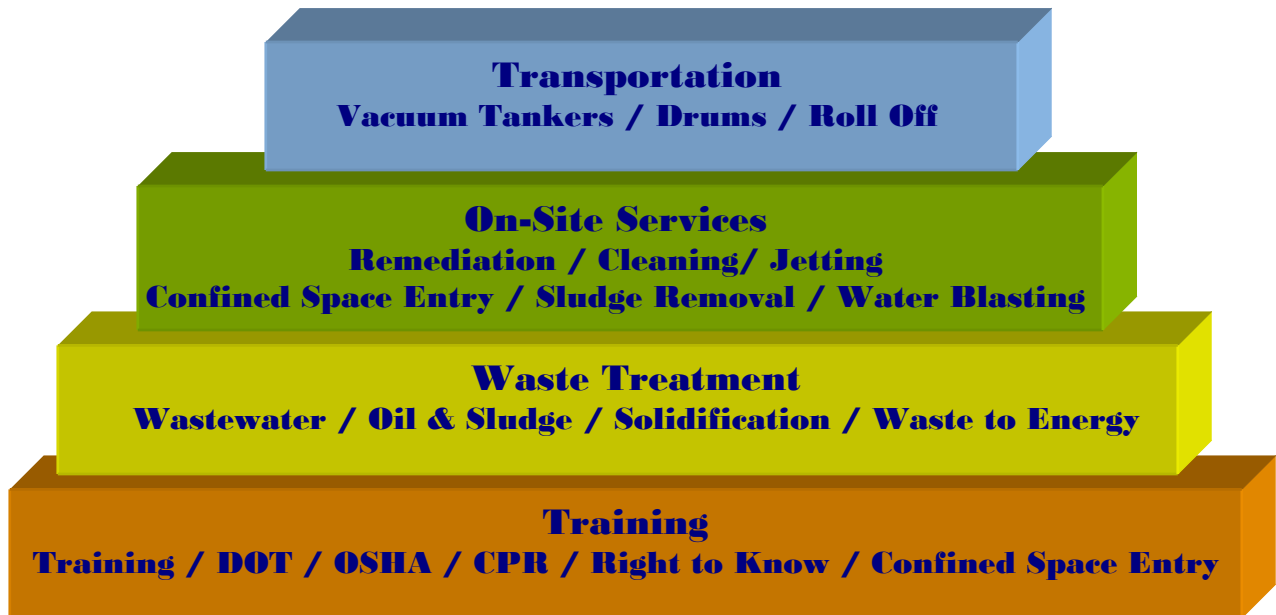

“The intent of this letter is simply to let you know what an exceptional service we feel you have been providing us. This is certainly not something we, nor should anyone, take for granted. Your integrity and attention to detail, based on our experience with other disposal firms, places you in a class far surpassing that of your larger competitors.”
