Re: Major Permit Modification
Residual Waste Processing Facility
ID No. 301353
APS No. 731952, Auth. No. 852059

Dear Mr. Meahl:

Enclosed is a major permit modification for Solid Waste Permit No. 301353 for the operation of your residual waste processing facility, issued in accordance with Article V of the Solid Waste Management Act, 35 P.S. §6018.101, et seq.

The Department approves the major permit modification received July 20, 2011. This permit modification will allow the acceptance for processing of certain types of municipal waste. Municipal waste generated from residential, commercial, or institutional sources that exhibit characteristics similar to residual waste can be accepted at your facility through the Form U process. Examples of such waste are car wash collection basin sediments, service station used oils and coolants, municipal waste water treatment sludges, non-hazardous chemical discharges from schools-hospitals-institutions, etc. General garbage, refuse, lunchroom or household waste may not be accepted by the facility.

As a result of this Major Permit Modification, Advanced Waste Services' permit issued March 9, 2010, has been modified. Please insert this page into your permit as revised Page 5C.

Compliance with the terms and conditions set forth in the permit is mandatory. Please note that issuance of this permit does not eliminate the necessity to comply with all federal, state, or local requirements at the permitted facility. You have the right to file an appeal as to the terms and conditions of this permit.

Any person aggrieved by this action may appeal, pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. §7514, and the Administrative Agency Law, 2 Pa.C.S.A. Chapter 5A, to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457; 717.787.3483. TDD users may contact the Board through the Pennsylvania Relay Service, 800.654.5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action.

unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at 717.787.3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

IF YOU WANT TO CHALLENGE THIS ACTION, YOUR APPEAL MUST REACH THE BOARD WITHIN 30 DAYS. YOU DO NOT NEED A LAWYER TO FILE AN APPEAL WITH THE BOARD.

IMPORTANT LEGAL RIGHTS ARE AT STAKE, HOWEVER, SO YOU SHOULD SHOW THIS DOCUMENT TO A LAWYER AT ONCE. IF YOU CANNOT AFFORD A LAWYER, YOU MAY QUALIFY FOR FREE PRO BONO REPRESENTATION. CALL THE SECRETARY TO THE BOARD 717.787.3483 FOR MORE INFORMATION.

If you have any questions about the enclosed permit or requirements of the Solid Waste Management Act, please contact Joel Fair at 814.332.6848.

Sincerely,

Todd Carlson
Regional Manager
Waste Management

**Permit
For
Solid Waste Disposal and/or Processing Facility
FORM NO. 8**

Permit No.	301353
Date Issued	March 9, 2010
Date Expires	March 9, 2020
Date Revised	November 1, 2011

pounds or less (Small Quantity Generator), the generator of the residual waste must submit a letter of certification to the Department and demonstrate the waste is not hazardous. The Permittee may submit to the Department the certification and demonstration received from the generator.

3. In accordance with the major permit modification received on July 20, 2011, this permit is modified to allow acceptance of municipal waste from residential, commercial, or institutional establishments which are identical to or similar in characteristics of Residual Waste. Acceptance of these wastes will be under the From U process and in accordance with the Revised Form R1 dated 05/11/2011.
