F) Pesticide/Herbicide Warranty

I hereby certify the following: The waste identified in Section B of this waste profile form does not contain Endrin, Methoxychlor, 2,4-D, Lindane, Toxaphene, 2,4,5-TP (Silvex), Chlordane, or Heptachlor (and its Hypoxide). These constituents are not used at the location where this waste was generated, nor are they known to be present in the materials of which the above waste is comprised. Hence, there is no reason to suspect their presence in the waste.

GENERATOR CERTIFICATION

I, _____ hereby certify that the above and attached description is complete and accurate to the best of my knowledge and ability. No deliberate or willful omissions of composition or properties exist and that all known or suspected hazards have been disclosed. I also certify that the waste stream is, to the best of my knowledge, non-hazardous and as such does not contain any constituent that would cause the waste to be a listed or characteristic waste under RCRA. Further, the obtained sample is representative of the waste material described above.
