Advanced Waste Services Acquires Waste Water Systems, LLC

July 19, 2011: Advanced Waste Services, Inc., the Milwaukee, Wisconsin-based industrial waste collection, transportation and treatment firm, has acquired the assets of Waste Water Systems, LLC, based in Cedar Rapids, Iowa. Founded in 1999, WWS operates a non-hazardous waste processing facility. The acquisition complements AWS' existing service and expands its market area into Iowa. Mark Lob, President of WWS, will serve as Operations Manager for the operation.

Advanced Waste Services, Inc. is an environmental services firm specializing in non-hazardous and hazardous waste collection, transportation, disposal and on-site cleaning services to commercial and manufacturing clients in all industries. Headquartered in Milwaukee, Wisconsin, Advanced Waste Services operates full-service waste collection and non-hazardous waste processing facilities in Milwaukee; Rockford, Illinois; Portage, Indiana; New Castle, Pennsylvania and now Cedar Rapids, Iowa
