Dear Car Wash Manager:

I know how you feel, and I've seen it a thousand times. You want to maximize your business. That's your number one priority. And maintenance, like cleaning out your sludge – well, sometimes it sneaks up on you. Then it's a problem

**HOW LONG CAN YOU AFFORD TO BE DOWN WHILE YOUR
CAR WASH SLUDGE IS BEING REMOVED?**

I'm guessing your answer is, *"As little time as possible"*. And if I guessed right I want you to know that **AWS CAN MAKE IT HAPPEN!**

"AWS has the knowledge and capability to complete difficult jobs that literally stump the competition. Not only will you get my first call next time, I'll recommend you to my friends."

*-- Chuck Larmay
AWS Sludge Removal Client*

**YOU NEED YOUR SLUDGE REMOVED AND YOU NEED IT DONE FAST...
SO YOU CAN GET BACK TO BUSINESS!**

As the manager of a car wash or service facility, you know that when your customer wants service, the irritation of a closed sign may be enough to send them speeding down the street to your competitor. The last thing you need is to have a company with inexperienced personnel and underpowered equipment keep you closed down for an entire day while you watch opportunity drive down the road. 🚗 Not with **AWS!**
